

# MIOSHA TRAINING INSTITUTE

## CONSTRUCTION PT. 10 CRANES & DERRICKS

This course will review the MIOSHA regulations found in Part 10, Cranes and Derricks. Rules regarding crane assembly and disassembly, inspections, safe operation, power line safety, and required training, certifications and qualifications will be covered. The course will describe current best practices and regulatory changes with emphasis on recognizing hazards and complying with the 2016 revision to the Part 10 standard.
